NOTICE
NOTICE TO ALL EMPLOYEES AND PUBLIC NOTICE OF INTENT TO FILE APPLICATION FOR PERMANENT ALIEN EMPLOYMENT CERTIFICATION

Pursuant to Section 20 CFR 656.20, you are hereby notified that an application for permanent alien employment certification is being filed for the following position:
The Department of Mechanical Engineering at the University of Kansas is seeking applications for a tenure-track faculty position at the rank of Assistant Professor. Preference will be in the broad area of water utilization, including but not limited to: its conservation in industrial processes, reduction of its usage in the generation of electrical power, bio- or biochemical transport in environmental systems and/or energy systems, its interface with food production and human health, and monitoring and control of large scale water-based systems. Job Duties: 40% Teaching: Develop and teach undergraduate and graduate courses in mechanical engineering. Participate in undergraduate and graduate student academic advising. Mentor graduate students in research and serve as the advisor and chair of Master’s and Doctoral level thesis committees. 40% Research: Develop a strong externally-funded research program. 20% Service: Perform service for the Department, School, University, and professional societies. Foster a positive relationship with industry and the community.

Required Qualifications:
1. Ph.D. in Mechanical Engineering, or closely-related discipline expected by the time of appointment.
2. Provide evidence of the ability to develop a successful research program.

For further information contact:
Dr. Theodore Bergman, Dept. of Mechanical Engineering
1530 W. 15th St., Learned Hall Lawrence, Kansas 66045
Telephone: 785-864-3181 Email: tlbergman@ku.edu

This notice is being provided as a result of the filing of a Petition for Prospective Immigrant Employee for the above job opportunity. Anyone who wishes to provide documentary evidence bearing on the application should submit it to the Atlanta National Processing Center.
