Information Webinars about the Telehealth benefits available from Blue Cross Blue Shield – Amwell OR Aetna – Teledoc are open for registration on the Go to Webinar platform.

Each of the vendors are providing information on the Telehealth service and how to access benefits. Telehealth benefits provide members and covered dependents 24/7/365 access to consultants with a licensed medical doctor. Members can access care from their smart phone, tablet or computer to diagnose, treat and prescribe medication. To find out more about this benefit select your medical carrier below and enroll in one of the webinar options.
