Applications are being accepted for the Employee Advisory Committee (EAC)

The Health Care Commission implemented an Employee Advisory Committee (EAC) as provided by K.S.A. 75-6501(b) by adopting EAC By-laws on August 16, 1995. The Committee is composed of 21 members, 18 of whom are active employees and three are participating through Direct Bill. Each member serves a three-year term. Members are selected to serve by the HCC on the basis of geographic location, agency, gender, age, and plan participation in order to
assure that a balanced membership representing the diverse state employee population and Direct Bill members’ interests are represented. State Employee Health Plan staff work with the EAC leadership on topics of discussion. Topics could include future plan changes, wellness initiatives and other topics that the HCC desires to obtain employee input and feedback. The EAC meets 4-6 times a year in Topeka at the Landon State Office Building.

Applications are being accepted for the 2018 EAC membership. The applications are posted on our website: http://www.kdheks.gov/hcf/sehp/employee_advisory.html. The agency for which the employee works must agree to their serving and must cover the cost of transportation and wages for the employee to participate. Therefore, applicants must be approved and signed by leadership in the employing agency prior to submitting an application. Members receive no compensation for serving.
