¹**Graduate students** - appointments to student hourly appointments or to any combination of student job titles during the academic year, when classes are in session, shall not exceed 72.5% FTE (29 hours weekly). For example, a graduate student with a 50% FTE may work up to 9 hours a week in a student hourly position. Exceptions to the appointment limits in the academic year, summer or when classes are not in session may be authorized by the appropriate deans(s) or vice provost(s), thereby accepting any ensuing fiscal responsibility of those exceptions.

²**Undergraduate students** - appointments to student hourly job titles shall not exceed 50% FTE (20 hours weekly) during the academic year. The 20 hours limitation applied to total hours worked on all combined campus student hourly appointments, excluding those funded by federal work study. Appointments to student hourly job titles during the summer or when classes are not in session may be at 100% FTE (40 hours weekly).

³ **Work Study (WS)** - hours worked on positions funded by WS funds do not count toward ACA eligibility. WS funded students should be appointed to positions established specifically for that purpose. A student with appointments only in WS funded positions can work up to 30 hours weekly during the academic year and 40 hours weekly in summer/breaks. Any student with employed in both WS and non-WS positions will be subject to the hours limitation based on the student's undergraduate or graduate student status.
