“Power is the capacity to make others do what we would have them do.”

Eric Liu, Founder and CEO of Citizen University and Executive Director of the Aspen Institute Citizenship and American Identity Program

TedTalk: Why Ordinary People Need to Understand Power
“Power is simply an opportunity to make change. If you have power and you are not using it to make change, then it’s a waste.”

Ertharin Cousin, Executive Director United Nations World Food Programme
Forbes interview: World’s Most Powerful Women Define Power
even a baby bit of

“With great power, comes great responsibility”

opportunity
...to be better
Who has power?
How do you use your power?
With even a baby bit of power, comes great opportunity, to be better.
BECAUSE YOU HAVE POWER, THAT’S WHY!
