NOTICE

NOTICE TO ALL EMPLOYEES AND PUBLIC
NOTICE OF INTENT TO FILE APPLICATION FOR
PERMANENT ALIEN EMPLOYMENT CERTIFICATION

Pursuant to Section 20 CFR 656.20, you are hereby notified that an application for permanent alien employment certification is being filed for the following position:

The interdisciplinary Child Language Doctoral Program seeks to hire an Assistant Professor with expertise in Neuroscience and/or Epigenetics. Job Duties 40% Research: Develop, activate, and sustain a significant research program in his/her field leading to scholarly activity, publications, scholarly presentations, and competitively awarded research funds. 40% Teaching: Teach graduate courses and mentor graduate students’ research. Unit teaching may range from traditional lecture courses, to small group laboratory sections, to professional seminars, and to individual research instruction. The typical teaching load is three courses per academic year (i.e., 2-1). All classes must be evaluated by students. Faculty members are expected to hold regular office hours. 20% Service: Serve on departmental, College, and University committees and actively contribute to the workings of the university community. Engage in professional service (e.g., refereeing, editing, serving on committees or as an officer/leader in national organizations, etc.). Attend Child Language Program meetings and contribute to unit projects as assigned by the program director.

Required Qualifications:
1. Ph.D. or M.D. in neuroscience, genetics, or a related discipline, is expected by start date of appointment;
2. Expertise in neuroscience and/or epigenetics that complements those of existing faculty and contributes to the interdisciplinary theme of biobehavioral approaches to neurodevelopmental disorders.
3. Demonstrated commitment to excellence in teaching courses on genetics of child language and relative communication disorders and mentoring of graduate students in an interdisciplinary environment.
4. Ability to contribute to the climate of scholarship, collaboration and interdisciplinary departments, and the diversity of thought and approaches at the University of Kansas.
