NOTICE OF TERMINATION OF COVERAGE

The Aon Dependent Verification Center recently performed the dependent eligibility reverification project for the State of Kansas- State Employee Health Plan (SEHP). Letters were sent to you on April 10, 2017 and May 5, 2017 along with a number of emails requesting that you provide verification of the eligibility of one or more of your dependents to participate in the SEHP. As of May 25, 2017, we have either not received your verification information or the verification information that you submitted was insufficient to support the eligibility for one or more of your dependents to participate in the SEHP .

Coverage under the Plan for any dependent listed in this letter as unverified is scheduled to be terminated effective June 30, 2017.

If you believe that you have received this letter in error, or that your enrolled dependents are eligible for coverage, it is imperative that you contact us immediately at 1-800-725-5810.

If you have any dependent whose coverage is scheduled to be terminated effective June 30, 2017, you have until June 9, 2017 to appeal this decision and provide the necessary documentation to validate that dependent's benefit coverage.
