NOTICE TO ALL EMPLOYEES AND PUBLIC NOTICE OF INTENT TO FILE APPLICATION FOR PERMANENT ALIEN EMPLOYMENT CERTIFICATION

Pursuant to Section 20 CFR 656.20, you are hereby notified that an application for permanent alien employment certification is being filed for the following position:

Position Overview: The Department of Health, Sport, & Exercise Sciences (HSES) at the University of Kansas is searching for an Assistant/Associate Professor in the Sport Management program. The position requires an earned doctorate with a specialty in sport management or a related field. The position is a full-time, tenure track (academic year - 9 months). The School of Education and Human Sciences at the University of Kansas, home to the Department of Health, Sport, and Exercise Sciences, is one of the premier institutions in the preparation of practitioners and leaders in education and related human service fields. The School is committed to leading the way in providing academic excellence in teaching and learning, research and scholarly pursuits, and service. The School is ranked 9th among public institutions for its graduate programs by U.S. News and World Report. The Department of Health, Sport, and Exercise Sciences offers a broad range of programs in exercise science, community health, physical education, and sport management. These programs, at the undergraduate, master’s and doctoral levels, prepare practitioners, administrators, researchers, faculty members, and leaders for all levels of education.

Job Description: 40% Research: Pursue a focused line of research inquiry in sport management – including but not limited to areas in organizational behavior, marketing, finance, sociology, or related area. Seek external funding to support research activities and interests. Develop collaborative relationships with faculty members within and across the University, including various research centers at KU, as well as globally. Direct student research including projects, theses and dissertations. 40% Teaching: Teach and evaluate students in the degree programs of Sport Management at the undergraduate, masters (online), and doctoral level. Courses assigned may be in-person, online or hybrid. Advise and mentor undergraduate, masters, and doctoral degree students. 20% Service: Contribute to the service mission of the Department of HSES, School of Education and Human Sciences and the University of Kansas.
