NOTICE

NOTICE TO ALL EMPLOYEES AND PUBLIC NOTICE OF INTENT TO FILE APPLICATION FOR PERMANENT ALIEN EMPLOYMENT CERTIFICATION

Pursuant to Section 20 CFR 656.20, you are hereby notified that an application for permanent alien employment certification is being filed for the following position:

The University of Kansas seeks a tenure-track Assistant/Associate Professor in the Department of Geography and Atmospheric Science to begin 8/18/2023. This position is a full-time, academic-year appointment. We seek applicants with expertise in linking social and environmental factors to examine health inequities in urban systems arising from environmental and/or climatic drivers in a quantitative, geo-spatial context. The candidate will complement the program’s strengths in urban systems, health geography, climatology and geospatial analytics.

Job Description: The position will be appointed with expectations of 40% research, 40% teaching and 20% service. 40% Research: The successful applicant will serve as a tenure-track (Assistant) or tenured (Associate) faculty member in the Department of Geography and Atmospheric Science, where they will develop a productive research program as evidenced by regular publications in peer-reviewed journals and presentations at professional conferences. The individual will develop national and international recognition for their research program, and demonstrate a capacity for obtaining extramural funding. 40% Teaching/Advising: Teach three courses per academic year. Courses taught will include those that contribute to the undergraduate curriculum and advanced courses in the successful applicant’s research specialty at the graduate and undergraduate levels. Participate in mentoring masters and doctoral students in thesis and dissertation research. Conduct course evaluation with student input as directed by the University. Hold regular office hours for students of courses taught. Adhere to program, College, and University Policies. 20% Service: Serve on committees at the Departmental, College, and University levels and perform other related duties as opportunities arise. Participate in professional service that may include reviewing scholarly articles and grant proposals, serving on advisory panels, activity in national organizations and scientific societies, and organizing meetings or workshops. Faculty Code: Faculty members are expected to carry out their responsibilities in accordance with the Faculty Code of Rights, Responsibilities, and Conduct, currently viewable at: http://policy.ku.edu/FacultyCodeKULawrence/faculty-code-of-rights

REQUIRED QUALIFICATIONS:

Required Qualifications: Required Qualifications at the Assistant Professor level are:
1. PhD in geography or related field by time of appointment.
2. A proven record or demonstration of high potential in research and publications as evidenced by application materials and/or research statement.
3. A proven record or demonstration of high potential in securing external funding.
4. A proven record or demonstration of high potential in Undergraduate and Graduate teaching and mentoring as evidenced by application materials and/or teaching statement.
5. A commitment to diversity, equity, inclusion, and belonging in teaching and research as evidenced by application materials and/or diversity statement.
6. Demonstrated ability to work in collegial and collaborative environments.

Required Qualifications for Associate Professor level are:
1. PhD in geography or related field by time of appointment.
2. A demonstrated record of excellence in research and publications as evidenced by application materials and/or research statement.
3. A demonstrated record of external funding.
4. A demonstrated record of excellence in Undergraduate and Graduate teaching and mentoring as evidenced by application materials and/or teaching statement.
5. A commitment to diversity, equity, inclusion, and belonging in teaching and research as evidenced by application materials and/or diversity statement.
6. Demonstrated ability to work in collegial and collaborative environments.
7. The ability to receive tenure at the University of Kansas.
