

## 2022–2023 Student Health Insurance Plan for GTA/GRA/GA's of the Kansas Board of Regents

### Student Letter

---

Dear Student:

The Kansas Board of Regents (KBOR) in cooperation with the Regents Institutions of the State of Kansas, is pleased to offer to students and their dependents, a Blanket Health Insurance Plan underwritten by UnitedHealthcare Insurance Company and Administered by UnitedHealthcare **StudentResources**.

Preferred Providers are members of the UnitedHealthcare Choice Plus Network. Additionally, for Pittsburg State University students, Via Christi Hospital is a Preferred Provider. These providers offer you superior access to a choice of qualified physicians, hospitals, and Preferred Provider network programs nationwide, while reducing the costs of your medical care with rates that are usually much lower than normal charges.

If you choose to seek treatment from an out-of-network provider, your benefits may be reduced.

Participation in this program is voluntary, except for Health Science students who are required to show proof of insurance; however, we encourage you to carefully read the entire booklet to familiarize yourself with the available plan and benefits. Any questions about this plan should be directed to UnitedHealthcare **StudentResources** at 1-888-344-6104.

### Who is eligible to enroll?

---

The Master Policy covers students and their eligible Dependents who have met the Policy's eligibility requirements (as shown below) and who:

1. Are properly enrolled in the plan, and
2. Pay the required premium.

Each student who is a graduate teaching assistant, graduate research assistant or graduate assistant holding a 50% appointment is eligible for an employer contribution toward the cost of coverage. The reduced premium rates for the graduate teaching, graduate research assistants and graduate assistants program reflects the cost to the student after the employer contribution has been made. **To enroll go to [www.uhcsr.com/kbor](http://www.uhcsr.com/kbor), select your university, click on the blue Enrollment Info button, and follow the instructions, as applications are now submitted online. (For WSU students only: Complete the enrollment form and return it to the designated university contact. Your premium will be added to your student fee bill.)** The certificate can be accessed on the Kansas Board of Regents website: [http://www.kansasregents.org/students/student\\_health\\_insurance](http://www.kansasregents.org/students/student_health_insurance). If you do not hold a qualifying 50% GTA, GRA and/or GA appointment, you may be eligible for other student insurance coverage. Information is available at the student health centers or online at [www.uhcsr.com/kbor](http://www.uhcsr.com/kbor).

Please read the following carefully to understand your opportunities with respect to enrollment.

On or before August 1, certificates will be available online at [www.uhcsr.com/kbor](http://www.uhcsr.com/kbor), select your university. Eligibility is verified by the university once the first step of the online application process is completed. **For WSU students only:** Eligibility will be verified prior to applications and premiums being sent to UnitedHealthcare **StudentResources**.

All applications with correct premium payments received within 31 days of the period effective date will be effective the first day of the period. For example: Applications and premium payments received August 1-August 31, 2022, will receive an effective date of August 1, 2022. For all other applications, coverage will be effective the date the correct premium is received by the Company or representative of the Company or the effective date of the coverage period, whichever is later.

Eligibility to participate as a GTA/GRA/GA is determined by the university. Many unique situations may occur throughout the academic year related to enrollment as well as movement between the GTA/GRA/GA plan and the voluntary student health insurance program. See the designated contact for your university for assistance.

GTA/GRA/GA's with F-1 and J-1 visas are required to participate in this plan unless proof of other insurance is provided. The premium for coverage will be added to the tuition billing of those International Students attending Emporia State, Kansas State University, University of Kansas and Pittsburg State who do not show proof of comparable coverage that is accepted by the university.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse and dependent children under 26 years of age. Dependent Eligibility expires concurrently with that of the Insured student. Dependent coverage must be applied for by completing the online application (and for WSU students, by filling out the enrollment card) and by paying the required premium. Dependent coverage will not be effective prior to that of the Insured student or extend beyond that of the Insured student. Dependents that are not in the country at the time the student enrolls will be eligible to be enrolled in coverage within 30 days of entering the country.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
  - a. On the date the Named Insured acquires a legal spouse.
  - b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.
